NOTES

1. This Plat is subject to the following recorded instruments:

- A. Declaration of Conditions and Covenants recorded as Doc. Nos. 4229331, 4229332 and 4879641.
- B. Declaration of Conditions, Covenants and Restrictions recorded as Doc. Nos. 4281331 and 4281332.
- C. Restrictions recorded as Doc. No. 4165429.

2. All lots within this plat are subject to public easements for drainage purposes which shall be a minimum of 5 feet in width measured from the property line to the interior of each lot except that the easements shall be 12 feet in width on the perimeter of the plat. For purposes of two (2) or more lots combined for a single development site, or where two (2) or more lots have a shared driveway agreement, the public easement for drainage purposes shall be a minimum of five (5) feet in width and shall be measured only from the exterior property lines of the combined lots that create a single development site, or have a shared width along the perimeter of the plat. Easements shall not be required on property lines shared with greenways or public streets. No buildings, driveways, or retaining walls shall be placed in any easement for drainage purposes. Fences may be placed in the easement only if they do not impede the anticipated flow of water.

The intra-block drainage easements shall be graded with the construction of each principle structure in accordance with the approved storm water drainage plan on file with the City Engineer and the Zoning Administrator, as amended in accordance with the Madison General Ordinances.

Note: In the event of a City of Madison Plan Commission and/or Common Council approved redivision of a previously subdivided property, the underlying public easements for drainage purposes are released and replaced by those required and created by the current approved subdivision.

3. Public Utility Easements:

Creation of Easement Rights: A permanent easement over, across and within the Easement Area is established, memorialized, reserved by, granted, conveyed, transferred and assigned to the City of Madison, and all other public utility companies registered to do business in the City of Madison, for the uses and purposes hereinafter set forth. The Easement Area may be used by City of Madison, and all other public utility companies registered to do business in the City of Madison, for the transmission of electrical, gas, telephone, cable, communication, video, and information services, together with the right of ingress and egress across the Easement Areas for the purpose of access to and use of these facilities. The City of Madison, and all other public utility companies registered to do business in the City of Madison, and their employees, agents and contractors shall have the right to construct, install, maintain, operate, repair, replace and reconstruct the utility facilities within the Easement Area. City of Madison, and all other public utility companies registered to do business in the City of Madison, shall have the further right of ingress and egress to and from the Easement Area in order to exercise its rights and privileges hereunder, and to cut and remove trees, vegetation and other impediments in the Easement Area which may obstruct or interfere with the actual or potential use of the Easement Area for the foregoing purposes.

- 4. Outlots 3, 5, 6 and 11 are dedicated to the public for stormwater management purposes.
- 5. Outlot 2 is dedicated to the public for stormwater management.
- 6. Outlot 4 is dedicated to the public for alley purposes.
- 7. Outlot 7 and 8 are dedicated to the public for park purposes.
- 8. Outlots 9 and 10 are private open space.
- 9. Lots/buildings within this subdivision are subject to impact fees that are due and payable at the time building permits are issued.
- 10. The City will not install lighting in the alleys, but the developer or property owners may request the City to approve a private light(s) in the alley right-of-way. Such private light(s) to be operated and maintained by private interests.
- 11. Distances, lengths and widths are measured to the nearest hundredth of a foot.
- 12. Distances shown along curves are chord lengths.
