Town: Springdale Parcel numbers affected: 054/0607-343-2100-5 / 054/0607-343-2122-9

Section: 01 Property address or location: 1755 State Road 92 Mount Horeb WI 53572

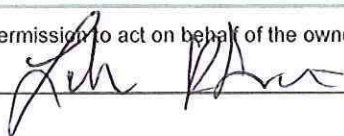

Zoning District change: (To / From / # of acres) All to be A-1 From A-1 and R-2 of 0.36 Acres / 4.48

Soil classifications of area (percentages) Class I soils: _____% Class II soils: _____% Other: _____%

Narrative: (reason for change, intended land use, size of farm, time schedule)

- Separation of buildings from farmland
- Creation of a residential lot
- Compliance for existing structures and/or land uses
- Other:

We would like to change one parcel from having two zoning classifications of A-1 and R-2 to being zoned all A-1. At the same time we would like to combine the two parcels stated above. We also will be applying for a conditional use permit to build an accessory building on the property to be used with a limited family business.

I authorize that I am the owner or have permission to act on behalf of the owner of the property.

Proposal

Six Standards of a Conditional Use Permit

Provide an explanation on how the proposed land use will meet all six standards.

1. The establishment, maintenance or operation of the conditional use will not be detrimental to or endanger the public health, safety, comfort or general welfare.

All operations are performed inside the building and it will be closed to the public. Only my work related to my business will be done inside the building, there will be no retail sale transactions on site. The building will be far from any neighbors to keep the possibility of any discomfort to the smallest amount possible.

2. The uses, values and enjoyment of other property in the neighborhood for purposes already permitted shall be in no foreseeable manner substantially impaired or diminished by establishment, maintenance or operation of the conditional use.

I plan to build to the west of the home creating a buffer to the one home to the east of ours. The building will be out of sight from that home owner and far enough away to not be able to hear any work being done.

3. That the establishment of the conditional use will not impede the normal and orderly development and improvement of the surrounding property for uses permitted in the district.

The surrounding property is Donald County Park and will have no foreseeable improvements. I plan on using siding on the building that will blend into the natural environment so as to not take away from the surroundings.

4. That adequate utilities, access roads, drainage and other necessary site improvements have been or are being made.

The building will have 220 electric which can be ran from the home or from existing power lines. I will do whichever the electric company sees as a better option. The site is flat but will be graded to correctly drain run off. An access road to the building will be added to an existing driveway.

5. Adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets.

I do have raw materials delivered where my current work shop is located just down the street from the proposed new building; I have never had any problems with stopping or congesting traffic. I plan on having deliveries come straight to the work shop off the street and down the driveway.

6. That the conditional use shall conform to all applicable regulations of the district in which it is located.

I do plan on following all building and zoning codes for the township of Springdale and Dane County.
