Title of Resolution or Ord. Amd.:

AUTHORIZING THE JAIL CONSOLIDATION PROJECT AND ADDITIONAL GENERAL OBLIGATION BONDS TO FINANCE THE JAIL CONSOLIDATION PROJECT

Policy Analysis Statement:

Brief Description of Proposal -

Request the County Board affirm the recommendation of the Public Protection and Judiciary and Public Works and Transportation Committees to proceed with the South Tower Addition option to complete the jail consolidation project by increasing the capital budget \$74,000,000, and for the purpose of financing the additional costs of the jail consolidation project, the County Board to authorize the issuance of general obligation bonds not to exceed \$75,100,000, pursuant to Chapter 67 of the Wisconsin Statutes.

Current Policy or Practice -

Capital funding requires County Board approval.

Impact of Adopting Proposal -

The 2018 Adopted Budget authorized \$76,000,000 to expand the Public Safety Building (PSB) vertically 4 floors for the Jail Consolidation Project and in January 2018, general obligation bonds were authorized to finance the expansion. In May 2018, design consultants performed structural analysis and determined that the existing PSB could not accept additional floors. The Dane County Board authorized a consulting team to provide a comparative analysis of alternative design options. The Public Protection and Judiciary and the Public Works and Transportation Committees have endorsed the South Tower Addition option at a cost of approximately \$150 million. Additional funding of \$74,000,000 is required to finance the Jail Consolidation Project South Tower option.
