Recipients of Federal financial assistance from the Department of Homeland Security (DHS) must complete OMB Standard Form 424B (Assurances – Non-Construction Programs), included herein as Attachment C.

Providing meaningful access for persons with LEP may entail providing language assistance services, including oral interpretation and written translation. In order to facilitate compliance with Title VI, recipients are encouraged to consider the need for language services for LEP persons served or encountered in developing program budgets. Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency (August 11, 2000), requires federal agencies to issue guidance to recipients, assisting such organizations and entities in understanding their language access obligations.
