In preparation for the 9/30 meeting of the Public Protection and Judiciary Committee, Supervisor Andrae requested that the Department of Administration produce a table that summarized the number of Deputy Sheriffs hired and separated from the Sheriff's Office going back to 2019. Additionally, it was requested that the table also show the number of Deputy Sheriffs authorized the budget.

2019	42	30	30.00	17.00	322.00	42.00	411.00

The information for the hires and separations for 2025 is through pay period 19 and does not reflect an entire year's worth of information.

The Positions in the Adopted Budget are broken down by the categories of Deputy Sheriff: Deputy Sheriff I-II, Deputy Sheriff III, and Deputy Sheriff IV. Since a number of the Deputy Sheriff 1-2 positions are footnoted, I have grouped these positions in order to ensure sure that they were accurately counted.
