

AUTHORIZATION TO ESTABLISH DANE COUNTY SHERIFF'S OFFICE COMMUNITY SUPPORT DONATION REVENUE AND EXPENDITURE ACCOUNTS

Sheriff's Office Deputies are the first line of defense in preventing tragedies of public and patient safety, civil rights, and unacceptable loss of life. Effective crisis management saves lives, as part of systemic approach direct intervention may be required. For example, there are times when someone in a crisis situation needs to relocate overnight to deescalate the situation or their response to the situation. Other examples may include temporary relocation to prevent further victimization.

Crisis intervention is the urgent need to provide assistance to individuals in situations that may be spiraling out of control. This first initiative in providing Community Support involves hotel vouchers for crisis intervention. To assist the Sheriff's Office response the Waunakee Ecumenical Board is donating \$1,000 for hotel vouchers to be used for people in a crisis situation needing immediate intervention. The Sheriff's Office is working in cooperation with the Greater Madison Resource Center to facilitate the hotel accommodations.

The Sheriff's Office requests the creation of a donation, revenue and expenditure budget account lines, for crisis intervention community support, to establish the capacity for the Sheriff's Office to accept monetary and non-monetary donations from supporters and to allow for acceptance of donations for future initiatives for support for individuals in crisis situations.

BE IT FURTHER RESOLVED a revenue account line is established in Sheriff's Office, Field Services Division, Friends of Community Support Revenue (SHRFFLD NEW) to be credited to the general fund; and
