

# General Process/Policy for Approvals

- Now that we have a vendor and sign style, staff wants to improve on the approval process moving forward.
  1. Nomination and selection of marker for Underrepresented Community (UC)
  2. Proposal of type of marker based on location and site conditions.
  3. Draft Process (repeat as many times as needed)
    - a) Language/Images (Rick/Applicant/UC Representative)
    - b) DCHPC review and comment
    - c) Revised draft to the submission or a possible UC representative
    - d) DCHPC Final Approval (site/language/type of sign)
    - e) Submission to sign Vendor

# Future Nomination Rounds

- After the 4 signs have been ordered, staff could work on soliciting communities and people for more nominations outside of Madison.
  - This could include nominations from the Commission/Commission members
    - Including North Mendota Park sign as a nomination?
    - Replace old County signs at other parks?
- Have existing list of City of Madison nominations as well, but these would need to be Wisconsin Historical markers
  - Not our style, not our color, no DC logo
  - No Photo off the Marker
  - Would only have DCHPC attribute; not DCHS attribute
    - Date Erected; Sponsoring Organization; Wisconsin Historical Society
  - State Historical Society-approved language
