**Provide a detailed description of the goods/services intended to be purchased:**

The Dane County Sheriff's Office is required to purchase a second Smart Ray Vision Portable X-ray System for use by the Dane County Sheriff's Office Bomb Squad. This will allow the Bomb Squad to have two completely identical trucks allowing two teams to be deployed at the same time. The system is a backpack sized, self contained system that will allow DCSO Bomb Technicians to remotely x-ray suspicious devices.

The DCSO Bomb Technicians are trained and certified by the FBI. The FBI has designated this unit to be the new, primary x-ray system that all bomb technicians utilize while attending training at the Hazardous Devices School in Huntsville, Alabama. As such, DCSO Bomb Technicians will all be trained on it's use and deployment and the County already owns one of these devices. Additionally, it is exclusive in that it will provide true, 1-pulse x-rays allowing technicians to defeat passive, infra-red sensor and other x-ray sensing anti-tamper devices.

Procurement Exception List	
<input type="checkbox"/>	Emergency Procurement
<input type="checkbox"/>	Only one vendor possesses the unique and singularly available ability to meet the Department's requirements
<input checked="" type="checkbox"/>	Unique and specific technical qualifications are required
<input type="checkbox"/>	A special adaptation for a special purpose is required
<input type="checkbox"/>	A unique or opportune buying condition exists

Provide a detailed explanation as to why the competitive bidding (RFB/RFP) process cannot be used. Also provide a detailed justification in relation to the Procurement Exception chosen:

Sharplogixx LLC of Green Bay, Wisconsin is the manufacturer and sole distributor of the Smart Ray Vision system. This system is the system designated by the FBI for bomb squad use so the DCSO is required to purchase this system.
