17. Non-Supplanting Requirement

All recipients must ensure that Federal funds do not replace (supplant) funds that have been budgeted for the same purpose through non-Federal sources. Applicants and award recipients may be required to demonstrate and document that a reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds.

18. Acceptance of Post-Award Changes

In the event FEMA determines that changes are necessary to the prime award document after an award has been made, including changes to the period of performance or terms and conditions, sub-recipients will be notified of the changes in writing. Once notification has been made, any subsequent request for funds will indicate recipient acceptance of the changes to the award.

19. Debarment, Suspension, and Other Responsibility Matters

All recipients must comply with Executive Orders 12549 and 12689, which provide protection against waste, fraud and abuse by debarment or suspending those persons deemed irresponsible in their dealings with the Federal Government. The grantee certifies that it and its principals:

- 1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, sentenced to a denial of Federal benefits by a State or Federal court, or voluntarily excluded from covered transactions by any Federal department or agency;
- 2) Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- 3) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and (d) Have not within a three-year period preceding this application had one or more public transactions (Federal, State, or local) terminated for cause or default.

DMA Conditions:

1. The grantee and any sub-grantee shall comply with the Grant Announcement used to announce the funding opportunity.
2. The grantee and any sub-grantee shall comply with the Grant Award Documents.
3. The grantee and sub-grantees must cooperate with the Homeland Security Compliance Monitors.

As the duly authorized representative of the applicant, I hereby certify that the applicant will comply with the above certifications.
