5

6
7 The Land & Water Resources Department has secured a \$10,000 donation from the Dane
8 County Chapter of Pheasants Forever in support of the Walking Iron Wildlife Area.
9

10 The restoration funds will be used for a large wetland and prairie restoration project in the
11 Walking Iron Wildlife Area in the Town of Mazomanie. The project includes creating waterfowl
12 scrapes, filling ditches and seeding the project area with native prairie and wetland.
13

14 The project has many water quality benefits, including allowing the water to filter through the
15 wetland before it eventually enters the Wisconsin River, increasing groundwater recharge and
16 providing excellent waterfowl and pheasant hunting habitat.

19 Executive hereby accept the \$10,000 in donated funds from the Dane County Chapter of
