6 **AN APPLICATION FOR FOREIGN-TRADE SUBZONE DESIGNATION**

7 FTZ No. 266

8 Coating Place, Incorporated ("Coating Place") has requested that Dane County, as the
9 grantee and administrator of Foreign-Trade Zone No. 266, submit a request for Foreign-
10 Trade Subzone designation approval to the United States Foreign-Trade Zone Board
11 requesting approval of subzone status for the 6.323 acre site of Coating Place's present
12 operations in Verona, Wisconsin. Coating Place utilizes its proprietary
13 microencapsulation technology in research and commercial applications, including
14 contract manufacturing involving the thin film coating of pharmaceuticals. In addition to
15 microencapsulation processing and manufacturing, Coating Place intends to use the
16 subzone site for operations including production, packaging, shipping, receiving, and
17 warehousing. It is anticipated that operations associated with the Coating Place
18 subzone will serve to retain and bolster employment opportunities at this south central
19 Dane County site. Fees and charges paid to Dane County by Coating Place relating to
20 establishing and operating the subzone to Foreign-Trade Zone No. 266 will help offset
21 costs incurred by Dane County in establishing and administering Foreign-Trade Zone
22 No. 266.

23 NOW, THEREFORE, BE IT RESOLVED that the Dane County Executive is hereby
24 authorized to execute on behalf of Dane County, and submit to the United States
25 Foreign-Trade Zone Board, a request for Foreign-Trade Subzone designation approval
26 involving the establishment of a subzone to Foreign-Trade Zone No. 266, as set forth
27 above; and

28
29 BE IT FURTHER RESOLVED that the Director of the Dane County Regional Airport is
30 authorized to execute on behalf of Dane County documents related to the foregoing
31 subzone designation approval request, and in furtherance of the establishment,
32 operation and maintenance of the above described subzone to be operated by Coating
33 Place, Incorporated.
