2015 RES-103

**AWARD OF CONTRACT FOR CONVENTION AND CONFERENCE CENTER
MANAGEMENT SOFTWARE**

The current e-commerce system at the Alliant Energy Center is no longer supported and resides on a server that is no longer supported. In addition to the e-commerce system, the Center is looking for a more robust system that can integrate several current processes into one solution to achieve staff efficiencies. A request for proposals was prepared, posted on the County website and advertised. Two firms responded to the request for proposals.

A purchase of services agreement in the amount of \$204,548 has been successfully negotiated with Ungerboeck Software International, Inc. for the purchase of their convention and conference center management software and five years of maintenance and hosting fees.

NOW THEREFORE BE IT RESOLVED, that the agreement with Ungerboeck Software International, Inc., 100 Ungerboeck Park, O'Fallon, MO 63368 is hereby approved.

BE IT FINALLY RESOLVED, that the County Executive and County Clerk are authorized to sign the agreement.
