2014-RES-307
AMENDING 2014 PROFESSIONAL SERVICES CONTRACT
WITH UNIVERSITY OF WISCONSIN HOSPITAL
DCDHS - ACS DIVISION

The Department of Human Services annually contracts with community hospitals for inpatient psychiatric care for indigent individuals as an alternative to Mendota Mental Health Institute (MMHI) and Winnebago Mental Health Institute (WMHI). The community hospitals offer a different therapeutic environment, are local and are the treatment setting that some consumers prefer. For 2014, hospital contracts were written for less than budgeted amounts, in part because lower rates were being negotiated and in part because it was unclear whether lower rates would impact admissions. Projected costs at UW Hospital are exceeding contracted amounts, but are within budgeted amounts. UW Hospital requires a \$37,900 increase, which will bring the contract to the \$102,900.

NOW, THEREFORE, BE IT RESOLVED, that the professional services contract listed below be amended for 2014:

UW Health Care, Inc.	\$37,900
----------------------	----------
