

1 2017 RES-184
2 AUTHORIZING AN UNDERGROUND GAS, ELECTRIC, AND
3 TELECOMMUNICATION CO-LOCATION EASEMENT
4

5 Highway M / Pleasant View Road is scheduled for widening and reconstruction in 2017-
6 18. This highway project is a collaborative project involving the County, City of Madison
7 and State DOT.
8

9 Due to the road construction, Madison Gas & Electric must relocate its underground gas
10 services east of and parallel with Highway M / Pleasant View Road along the edge of
11 County parkland. The permanent underground easement will be located mainly within
12 the permanent easement zone already conveyed to the City for the highway project and
13 a planned recreational trail. As an underground easement with no above grade
14 equipment, this easement should not negatively impact the recreational or natural
15 resource value of the County parkland.
16

17 The purchase price of the easement has been established at \$5,000.
18

19 NOW, THEREFORE, BE IT RESOLVED that Dane County does hereby approve and
20 authorize the above-described permanent easement to Madison Gas and Electric
21 Company and its co-location partners (Mt. Vernon Telephone Company LLC, Charter
22 Cable Partners, LLC, and Alliant Energy Corporation), subject to approval by the WI
23 Department of Natural Resources; and
24

25 BE IT FURTHER RESOLVED that the Dane County Clerk and County Executive are
26 hereby authorized to execute the described easement and related documents on behalf
27 of Dane County; and
28

29 BE IT FURTHER RESOLVED that \$5,000 be credited to LWRPKOP 84830 Sale of
30 County Property; and
31

32 BE IT FINALLY RESOLVED that the Land & Water Resources Deputy Director or Real
33 Estate Coordinator are authorized to administer the closing.
