RE: Public Hearing: Amending the Dane County Comprehensive Plan by adopting amendments to the Cultural Resources section and adopting minor map amendments to the Dane County Farmland Preservation Plan.

Dane County is considering amendments ([2024-OA-15](#)) to the *Dane County Comprehensive Plan* that would:

- Make minor map amendments to the *Dane County Farmland Preservation Plan Map* to account for municipal boundary changes, Urban Service Area amendments and adopted changes to town, village, city and extraterritorial plans.

In order to comply with the requirements of the state comprehensive planning law, Dane County must notify all local government jurisdictions within or adjacent to the county, giving them a 30-day review period prior to the county public hearing. You may review the ordinance amendment materials at the link above, or by going to:

<https://dane.legistar.com/Legislation.aspx> and typing “farmland preservation plan” in the legislative text box.

The public hearing of the County Zoning and Land Regulation Committee on this item is scheduled for **October 22, 2024**. Please return any comments concerning the plan amendment to the Dane County Department of Planning and Development; Room 116, City-County Building; 210 Martin Luther King Jr. Blvd; Madison, WI 53703 by that date. Please feel free to contact me at (608) 267-4115, or by e-mail at standing.brian@danecounty.gov with any questions, or if you would like to receive any of these materials in an alternate format.

Sincerely,

Brian Standing, Senior Planner
Dane County Planning and Development
