FINDINGS OF FACT FOR DENIED CONDITIONAL USE PERMITS

If the Conditional Use Permit application is denied, please complete the following section. For each of the standards, indicate if the standard was found to be satisfied or not satisfied. Please note the following from section 10.255(2)(b):

"No permit shall be granted when the zoning committee or applicable town board determines that the standards are not met, nor shall a permit be denied when the zoning committee and applicable town board determine that the standards are met."

- 1. That the establishment, maintenance, or operation of the conditional use will not be detrimental to or endanger the public health, safety, comfort or welfare.
- That the uses, values and enjoyment of other property in the neighborhood for purposes already permitted shall be in no foreseeable manner substantially impaired or diminished by establishment, maintenance or operation of the conditional use.
- 3. That the establishment of the conditional use will not impede the normal and orderly development and improvement of the surrounding property for uses permitted in the district.
- 4. That adequate utilities, access roads, drainage and other necessary site improvements have been or are being made.
- 5. That adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets.
- 6. That the conditional use shall conform to all applicable regulations of the district in which it is located.
