F. Presentations

1. Human Services Board Presentation:

- Listening Sessions Overview: Mederson gave a brief overview of the attached report. The report will be shared with the Behavioral and Mental Health Subcommittee.

Tessmann gave update on the Behavioral Health Resource Center workgroup. There was discussion about connecting with Engage Dane and relationship building in the community rather than structured listening sessions, i.e., attend community meetings, introduce yourself as HSB member and engage in conversation.

- Coordination between HHN and HSB: HSB members expressed frustration about lack of support and direction. There was discussion about how HHN and HSB could potentially interact more. Some ideas are:

- o Engage HSB in DCDHS strategic planning focus groups.
- o HSB members hold informal meetings with POS agencies.
- o Regular HSB participation in HHN meetings.
