Runoff from the driveway shall not be directed toward the roadway shoulder, nor shall the driveway obstruct drainage on the highway. Concrete driveways are not allowed to directly abut the edge of roadway pavements. Decorative paving on highway right-of-way will not be repaired or replaced in kind if damaged during maintenance or removed during repaving/reconstruction. Normal setback is 20 feet from the edge of pavement for concrete and decorative pavement. c. The obligations of the Permit Holder or the Permit Holder's Agent(s) under this Contract shall not extend to the liability of an architect or engineer, his/her agents or employees arising out of (1) the preparation or approval of maps, drawings, opinions, reports, surveys, change orders, designs, or specifications or (2) the giving of or the failure to give directions or instructions by an architect or engineer, his/her agents or employees provided such giving or failure is the primary cause of the injury or damage.
