3 **2014 RES-276**

4 **AUTHORIZING AN EXTENSION OF LTE HOURS IN THE DEPARTMENT OF ADMINISTRATION**

5 The Department of Administration has employed a limited term employee (LTE) to assist with the  
6 development and maintenance of the Dane County web site. The LTE modifies and creates web pages  
7 and web content in as requested by County departments. The LTE has also assisted with the  
8 implementation of a content management system (CMS) that allows end users to update website  
9 content independently.

10  
11 Dane County's Civil Service Ordinance, section 18.21(1)(a), limits limited term employees to 1,200  
12 hours per year. The employee in this position is approaching the limit for LTE's, and the Department is  
13 requesting an extension of hours to complete current projects and retain this capacity. The Budget  
14 contains sufficient funds to support this position for the remainder of this year.

15  
16 NOW, THEREFORE, BE IT RESOLVED that the Dane County Board of Supervisors grants an  
17 exception to Ordinance 18.21(1)(a) to allow the LTE Web Programmer in the Department of  
18 Administration to exceed 1,200 hours in the 2014 payroll year.
