To: Patrick Miles and ZLAR committee,

The Register of Deeds office has no Decision items, capital projects or any changes to our 2015 budget, The County Executive did decrease expected recording revenues in the amount of \$250,000.00 which is what I recommended. Please pass my budget as it is presented, I would prefer no changes at this time. I am sorry that I am unable to attend the ZLAR meeting on October 16th.

Sincerely,

Kristi Chlebowski
