

Board of Health for Madison and Dane County
Resolution #2017-05

Appointment to the Safe Food Advisory Committee

The Board of Health for Madison and Dane County adopted a resolution at its December 18, 2007 meeting, which created a Safe Food Advisory Committee. The purpose of the Safe Food Advisory Committee is to advise staff on improvements needed in the food inspection program, evaluate industry training and identify training needs, and discuss new safety concerns and how they can be addressed by the industry. Members of this committee are appointed by the Board of Health for Madison and Dane County. This resolution appoints one new member to the Safe Food Advisory Committee.

NOW THEREFORE BE IT RESOLVED that following individual is appointed to the Safe Food Advisory Committee:

- Guanming Shi owner of J&P Fresh Market – Industry Representative

Introduced: February 9, 2017
Drafted by: Beth Cleary
Action:
