

## CNA Pay Act

Representative Lisa Subeck introduced a package of three bills (AB 253, AB 254, and AB 255) known as the CNA Pay Act that more holistically addresses concerns about staff shortages in caregiving professions. I

**AB 253** seeks to make CNA training more affordable through refundable tax credits

**AB 254** would provide grants to technical colleges to expand access to training in underserved areas

**AB 255** relates to increasing the Medicaid reimbursement rate for personal care services by accepting Federal Medicaid expansion dollars.

The passage of these bills would begin to address the concerns of constituents in my district without lowering our state's standards for quality of care.

Doing so would allow Wisconsin to manage issues related to the current shortage of caregivers while also giving caregivers the resources and support
