RE: Zoning Notice for 3440 Meadow Road, Town of Middleton  
Parcel # 0708-321-8211-1

Dear Mr. and Mrs. La Fleur,

The Dane County Zoning Division received some concerns regarding several land use activities that are being advertised for the property located at 3440 Meadow Road. The Zoning Division has reviewed the La Fleur Stables website, <https://lstable.com/>, and found that the site offers various commercial activities. Some of these commercial activities that are in conflict with the current zoning for the property.

The property located at 3440 Meadow Road is currently zoned under the AT-5 Agriculture Transition Zoning District. The purpose of the zoning district is to accommodate a mix of agricultural and residential uses. Please refer to Dane County Zoning Ordinance Section 10.235 for specific permitted and conditional uses. The property also has a conditional use approval under CUP 1701 for a horse boarding facility housing up to 30 horses.

On the La Fleur Stables website, the site advertises outdoor storage and RV parking for the property located at 3440 Meadow Road. Under the Dane County Zoning Ordinance, outdoor storage and RV parking meets the definition of an “outdoor storage” land use. Under the AT-5 Agriculture Transition Zoning District, outdoor storage is not listed as a permitted use or a conditional use under the district. Under Dane County Code of Ordinance Section 10.200(2)(b)3., *Land uses not listed as either permitted uses or conditional uses are considered prohibited in that zoning district.* Please be informed that using the property located at 3440 Meadow Road for the purposes outdoor storage would be in violation of the Dane County Zoning Ordinance.

On the La Fleur Stables website, the site advertises the rental of a pickleball court located on the property at 3440 Meadow Road. Under the Dane County Zoning Ordinance, rental of a pickleball court meets the definition of an “active recreation” land use. Under the AT-5 Agriculture Transition Zoning District,

active recreation is not listed as a permitted use or a conditional use under the district. Under Dane County Code of Ordinance Section 10.200(2)(b)3., *Land uses not listed as either permitted uses or conditional uses are considered prohibited in that zoning district.* Please be informed that using the property located at 3440 Meadow Road for the purposes the rental of a pickleball court would be in violation of the Dane County Zoning Ordinance.

On the La Fleur Stables website, the site advertises dog washing services on the property located at 3440 Meadow Road. Under the Dane County Zoning Ordinance, dog washing services meets the definition of a “personal and professional service” land use. Under the AT-5 Agriculture Transition Zoning District, personal and professional service is not listed as a permitted use or a conditional use under the district. Under the Dane County Zoning Ordinance, the boarding of pigs meets the definition of an “animal boarding” land use. Under the AT-5 Agriculture Transition Zoning District, animal board is listed as a conditional use under the district, however, a conditional use has not been obtained for this specific land use. Under Dane County Code of Ordinance Section 10.200(2)(b)2., *No land use listed as a conditional in the applicable zoning district may take place until the town board and zoning committee approve a conditional use permit.* Please be informed that using the property located at 3440 Meadow Road for the purposes boarding of pigs would be in violation of the Dane County Zoning Ordinance.
