DANE COUNTY CONTRACT

ADDENDUM # 13704C

Revised 01/2022

THIS ADDENDUM, made and entered into effective as of the date by which both parties hereto have executed this document, by and between the County of Dane (hereinafter referred to as "County") and Sauk County (hereinafter, "Provider").

WITNESSETH:

WHEREAS Provider and County, by a separate document (hereinafter, the "Master Agreement"), Dane County Contract # 13704, have previously entered into a contractual relationship pursuant to which Provider agreed to share consulting costs for survey, hydrologic and hydraulic analysis and preliminary structural design for the proposed Great Sauk State-Walking Iron Trail Bridge across the Wisconsin River, and

WHEREAS County and Provider amended the Master Agreement on July 26th, 2021 through Addendum A in order to extend the term of the contract to December 31, 2022, and to equally share consultant costs with the Provider to complete an additional river bed geotechnical boring necessary for future planning and construction of the bridge at an additional cost of \$72,977.50.

WHEREAS County and Provider amended the Master Agreement on September 16th, 2022 through Addendum B in order to extend the term of the contract to December 31, 2025, and to equally share consultant costs with the Provider to complete construction documents, regulatory permits, bid and construction administration services for future construction of the bridge at an additional cost of \$700,000.00 to Dane County.

WHEREAS County and Provider wish to amend the Master Agreement in order to add additional professional engineering services to complete an existing railroad bridge structural assessment in Dane County between the Wisconsin River and STH 78; and survey, construction documents, an environmental document and regulatory permits for a rails to trail conversion connection between the proposed Wisconsin River trail bridge at Sauk City and the existing WDNR parking lot on STH 78 at an additional cost of \$984,300.

NOW, THEREFORE, in consideration of the above premises and the mutual covenants of the parties hereinafter set forth, the receipt and sufficiency of which is hereby acknowledged by each party for itself, the parties do agree as follows:

1. The Master Agreement shall remain in full force and effect unchanged in any manner by this addendum except as changes are expressly set forth herein. This addendum shall control only to the extent of any conflict between the terms of the Master Agreement and this addendum.
2. The Master Agreement, and any amendment or addendum to it, may be executed and transmitted to any other party by legible facsimile reproduction or by scanned legible electronic PDF copy, and utilized in all respects as, an original, wet-inked manually executed document. Further, the Master Agreement

and any amendment or addendum thereto, may be stored and reproduced by each party electronically, photographically, by photocopy or other similar process, and each party may at its option destroy any original document so reproduced. All parties hereto stipulate that any such legible reproduction shall be admissible in evidence as the original itself in any judicial, arbitration or administrative proceeding whether or not the original is in existence and whether or not such reproduction was made by each party in the regular course of business. This term does not apply to the service of notices under the Master Agreement, or any subsequent amendment or addendum.

3. The term of the contract is extended through December 31st, 2025 to add additional professional engineering services as outlined on page 1, at an additional cost of \$984,300.

IN WITNESS WHEREOF, the parties, by their respective authorized representatives, have set their hands and seals as of the dates set forth below.
