Please use the space below to provide a brief summary of your comments and/or concerns regarding the proposal.

I would like to speak during the Public Comment portion of the meeting. As a resident of the Village of Cambridge, my primary concern is that the proposed Koshkonong solar facility is too large and too close to the borders of the Village. Our ETJ zone will be severely impacted and will hinder the future growth and development of the community.

Please use the space below to provide a brief summary of any comments, concerns, or observations you would like to share with the ZLR Committee regarding the proposal.

NOTE: THIS MEETING REGISTRATION FORM IS ONLY FOR APPLICANTS OR THEIR AGENTS!

This registration form may be used by the ZLR Committee to assist in determining if your proposal is eligible for inclusion on a consent agenda. Multiple zoning petitions on a consent agenda may be recommended for approval through a single motion of the committee, thus expediting the meeting.

To be eligible for inclusion on a consent agenda, there must be:

1. No public opposition to the proposal;
2. No unresolved questions/issues by committee members or staff;
3. Town action has been received and no concerns noted by the town in their approval;
4. Applicant acknowledgment and acceptance of any recommended conditions

Petitions without town action may also be included on a consent agenda and recommended for postponement to a future meeting.

Please use the space below to provide a brief summary of any comments, concerns, or observations you would like to share with the ZLR Committee regarding the proposal.

1. Correct the anticipated size of business from 50 vehicles per week to 50 vehicles per month
2. Note that both the Town Plan Commission and Board have found the proposal consistent with the Town Plan
3. The adjacent businesses have all been well integrated into the community and they all have a broad employment and customer base.
4. The proposal to rezone only a portion of the property was made the Town Plan Commission. If there is an issue with this idea it would be appropriate to ask the Town for an alternate solution
5. The vehicles will be drained and dismantled inside in a controlled & regulated environment.
