2015 RES-544

**AMENDING THE BUDGET FOR THE
EAST DISTRICT CAMPUS PROJECTS**

Sub 1 to RES-528 approved the contract for construction of the highway garage and medical examiner facility at the East District Campus. This resolution amended the capital budget to provide additional funds for the projects. The budget amendment in the resolution incorrectly allocated the additional funds, increasing funding for the medical examiner facility to an amount in excess of the amount needed to complete the project and increasing the amount for the highway garage by an insufficient amount. This resolution provides an updated allocation of funds, it does not increase the total budget for the projects.

THEREFORE BE IT RESOLVED THAT \$670,000 be transferred from account CPADMIN "Medical Examiner Building" to account HWFLTFAC 57360 "East Highway Garage".
