meeting and provide public testimony.
Hybrid Meeting: Attend in person at the City County Building in
Room 354; or Attend virtually via Zoom.**

Zoning & Land Regulation Committee

Consider:

Who benefits? Who is burdened?

Who does not have a voice at the table?

How can policymakers mitigate unintended consequences?

***This meeting is being conducted on land now known and recognized as Dane County,
Wisconsin. We acknowledge that this land is at the same time the ancestral, traditional,
& contemporary land of the Ho-Chunk, Sauk & Kickapoo nations.***

A motion was made by BOLLIG, seconded by KRONING, to approve the CUP based on the findings of fact as noted in the staff report and it has been determined that the proposal meets the standards for obtaining a CUP, with the conditions as noted in the staff report. The motion carried by the following vote: 5-0.

CUP 2691 conditions:

1. Any conditions required for specific uses listed under s. 10.103 (none).
2. The physical development and operation of the conditional use must conform, in all respects, to the approved site plan, operational plan and phasing plan.
3. New and existing buildings proposed to house a conditional use must be constructed and maintained to meet the current requirements of the applicable sections of the Wisconsin Commercial Building Code or Uniform Dwelling Code.
4. The applicant shall apply for, receive and maintain all other legally required and applicable local, county, state and federal permits. Copies of approved permits or other evidence of compliance will be provided to the zoning administrator upon request.
5. Any ongoing business operation must obtain and continue to meet all legally required and applicable local, county, state and federal licensing requirements. Copies of approved licenses or other evidence of compliance will be provided to the zoning administrator upon request.
6. Existing onsite wastewater sewage disposal systems, if any, serving the conditional use must be inspected by a licensed plumber to determine its suitability for the proposed or expanded use. Deficient systems must be brought, at the owner's expense, into full compliance with the current requirements for new development of the state plumbing code and Chapter 46, Dane County Code.
7. All vehicles and equipment must access the site only at approved locations identified in the site plan and operations plan.
8. Off-street parking must be provided, consistent with s. 10.102(8).
9. If the Dane County Highway, Transportation and Public Works Department or the town engineer determine that road intersection improvements are necessary to safely accommodate the conditional use, the cost of such improvements shall be borne by the landowner. Costs borne by the landowner shall be proportional to the incremental increase in traffic associated with the proposed conditional use.
10. The Zoning Administrator or designee may enter the premises of the operation in order to inspect those premises and to ascertain compliance with these conditions or to investigate an alleged violation. Zoning staff conducting inspections or investigations will comply with any applicable workplace safety rules or standards for the site.
11. The owner or operator must keep a copy of the conditional use permit, including the list of all conditions, on the site, available for inspection to the public during business hours.
12. Failure to comply with any imposed conditions, or to pay reasonable county

costs of investigation or enforcement of sustained violations, may be grounds for revocation of the conditional use permit.

Unique Conditions for this CUP:

13. This CUP shall only become effective upon Rezone Petition #12233 becoming effective.
