Hi, I'm sorry I am getting this to you just now. Maybe it's too late. I only saw I could do this now. Can it be delivered to the council later if not read tonight? Thank you.

Here is my written comment.

Please vote against Res 168. Without exaggeration, this may be the most important decision you'll ever make for yourself, loved ones and the community. I know you have heard arguments for and against, and I try and be open and reasonable to all. However, I am truly shaken that this is even being considered. Aside from the other harmful things, if I was a terrorist and wanted to take out a fleet of airplanes, I sure would point my bombs on Madison, WI. Please, please do not bring possible and unimaginable suffering to this community. Thank you, Nan Bogue
