| <p><b>An erosion control, stormwater management, or shoreland mitigation plan for this project has been reviewed and approved under Chapter 11 or 14, Dane County Code of Ordinances. The plan shall be in effect for the duration of the permit. The permit expires on the date included below for erosion control permits. Stormwater management and shoreland mitigation permits are valid in perpetuity. This card must be posted prominently on site until all disturbed soil has been stabilized. This permit is only for the items specified above. Other permits may be required.</b></p> |                        |                                |  |                        |  |
| Start Date  |                        | Stabilization Date             |  | Expiration Date        |  |
| <b>11/23/2022</b>   |                        | <b>5/15/2023</b>               |  | <b>Does Not Expire</b> |  |
| <p>For questions or concerns related to this permit please contact Dane County's Water Resource Engineering Division at 608.224.3730</p>  |                        |                                |  |                        |  |
