

PUBLIC WORKS AND TRANSPORTATION COMMITTEE APPROVAL OF COMPLETION OF
A MASTER PLAN FOR THE ALLIANT ENERGY CENTER

As required by 2015 RES-444, the Public Works and Transportation Committee hereby approves the Alliant Energy Center (AEC) use of county funds to issue a request for proposal (RFP) and hire a consultant to complete a master plan for the full 164 acre AEC campus redevelopment using the Vandewalle vision and implementation framework as a basis for the RFP process.
