Over the holidays, Director Jones stated we had two weeks with increased passenger numbers, including three days over 1,500. While this was approximately half of our 2019 travel numbers, it was a good increase for 2020. Currently we average approximately 600-800 passengers per day.

Director Jones reported the Federal Government has approved an additional \$2 billion in funding specific to Airports. Some of the funding includes requirements offering relief to concessionaires to ensure their continued operations. This may require temporary modifications to their lease agreements.

The Bureau of Aeronautics confirmed a RFB will be released January 15, 2021 for DCRA's planned south terminal expansion.
