Dear Mr. Hahn,

On October 28, 2025, the Dane County Zoning and Land Regulation Committee revoked Conditional Use Permit #2582 pursuant to Dane County Code of Ordinance Section 10.101(7)(g). The conditional use allowed for a non-metallic mineral extraction operation to operate at 345 Center Road in the Town of Rutland.

This letter serves as notice that non-metallic mineral extraction is no longer an allowable use on the 36.5 acre property. See legal description below. The property is currently zoned FP-35 Farmland Preservation District and may only be used for the land uses that are listed as permitted uses under the zoning district. See attached zoning district factsheet.

Legal Description: Lot 1 of Certified Survey Map 16585

You are hereby instructed to cease all mineral extraction activity until such time as a new conditional use permit is obtained. Information regarding the conditional use process can be found at the following website:

[Conditional Use Permits | Dane County Planning & Development](#)

The property is subject to the reclamation requirements as found under Dane County Code of Ordinances, Chapter 74. Prior to any reclamation activities please contact Assistant Zoning Administrator Dan Everson in order to keep him informed of the activities happening on the site.

Your cooperation is appreciated in this unfortunate circumstance.

If you have questions or concerns, please call me at (608) 266-9078.

Respectfully,

Roger Lane
Dane County Zoning Administrator
