Dane County Executive

RE: County Executive Appointments Resolution 2018 RES-090

Supervisor Richard Kilmer and Jason Knoll previously requested appointments to the Lakes and Watershed Commission and Dane County Library Board respectively. Subsequent to my recommending their appointment, they notified me they were unable to serve on those commissions. Additionally, Supervisor Bill Clausius has notified me he is declining his re-appointment to the Dane County EMS Commission.

Therefore, I respectfully request the respective appointments of Supervisors Kilmer, Knoll, and Clausius to these commissions be removed from 2018 RES-090.

Thank you.
