E. Items Requiring Committee Action

ENGAGE DANE COMMUNICATION TOOL

Sponsors: Executive Committee

Lauren Kuhl updated the committee on the Engage Dane initiative and provided information regarding a proposed new communication tool for supervisors to use for public engagement. The communication tool would involve purchasing a program that would allow members of the public to sign up to receive newsletters from the County Board with information about events, meetings, board action, and supervisors. Currently, the County Board Office staff puts together a newsletter posted on the website that is compiled from information sent to staff by supervisors. This change would allow supervisors to load the information directly and also give community members an option to have the info sent to them automatically.

The committee directed County Board staff to work with Dane County Information Management to create a function on the Dane County Board website for supervisors to access, edit, and post their own individual updates/blogs. If possible, this should be done in conjunction with the website redesign project. The motion carried by a voice vote.

A motion was made by NELSON, seconded by YOUNG, to direct County Board staff to work with Dane County Information Management to create a function on the Dane County Board website for supervisors to access, edit, and post their own individual updates/blogs. If possible, this should be done in conjunction with the website redesign project. The motion carried by a voice vote.
