Re: Olson's Bliven Road Addition (FINAL PLAT)
Town of Albion, Section 21
(5 lots, 2.649 acres)
Zoning District: TFR-08, *Single and two-family residential*
Extra-territorial review: City of Edgerton

The final plat is a division of Lot 4, Certified Survey Map #15251. The proposed lots are Zoned TFR-08 and will be served by public sewer. There are no sensitive environmental features identified within or adjacent to the boundaries of this plat. The preliminary plat was approved on April 12, 2022.

Staff recommends the following conditions in approving the preliminary plat.

1. The document is to be completed in accordance with S.236.34, Wisconsin State Statutes.
2. Lots will be served by municipal sewer. Minimum lot size requires each lot to be not less than 8,000 square feet.
 - *Average lot size: 23,079 square feet or 0.529 acres*
3. Utility easements are to be provided.
 - *Easements across lots or along rear or side lot lines shall be provided for utilities where necessary, shall be at least 6 feet wide on each side of lot lines*
4. Subdivisions where public sanitary sewers are available at the time of platting, sanitary sewers shall be provided to each lot within the subdivision.
5. All public land dedications are to be clearly designated "dedicated to the public."
6. The final plat may be submitted for signature by the committee chair once the following approval certificates are satisfied:
 - *Town approval certificate signed and dated.*
 - *City of Edgerton approval certificate signed and dated.*
 - *Owner's Certificate signed and dated.*
