D. Project & General Updates

1. *Heritage oak progeny survey and plans for 2025 (Tedward and Tierney)*

NOONE reports that 90 data points of addresses and contacts where heritage oak seedlings went to, intend to do survey after leaf-out, species, survived, number of trees. BOCSI and ERKER will work to create a survey and get it sent out after leaf-out.

E. Discussion Items

1. Take aways from the Tree Board webinar that BRODBECK attended:

a. Succession, term limits, overall direction... (Cathy and Matt)
b. BRODBECK learned about how other Tree Boards operate. DCTB is diverse in age, experience, gender, etc. How to attract more diverse members – brochures? FB ad, Next Door? If members getting ready to rotate off the Board notify us some time ahead of openings on the Board, recruitment can have a better timeline. Discussion on term limits. WYATT suggests setting clear expectations for new members. RICH suggests having as an update periodically on when terms are up. Johnson emailed the list of term expirations to all Board members. RICH suggests a committee on recruitment. RICH, BRODBECK, and WYATT volunteered to work on this. WYATT's term is up in April and she will be leaving the Tree Board after 11 amazing years of service. The Board thanks her for all her great work.
