The certified survey map process was started December 11th, 2018 and has been approved through the Town and City of Middleton. At the time the process was started a rezone was not necessary however the Town has adopted the new Dane County zoning code without updating the required rezoning of this land division. We are requesting consideration to have the property correctly rezoned for the new land division.

I authorize that I am the owner or have permission to act on behalf of the owner of the property.
