Public Safety Communications (PSC) uses Comtech-Solacom to provide telephone hardware and services. This equipment is vital to answer public 911 calls as well as non-emergency calls and

WHEREAS, PSC is currently constructing a new building that will have 31 new call taking and dispatch stations; and

WHEREAS, Comtech-Solacom currently provides hardware and maintenance services for telecommunications to PSC; and

WHEREAS, Comtech-Solacom has proposed services for installation and maintenance for 31 new stations with five (5) years of maintenance and support as an addendum to the existing contract, for a total cost of \$120,592.50; and

NOW, THEREFORE BE IT RESOLVED that the Dane County Board of Supervisors hereby approves the addendum of Comtech-Solacom' s current contract to include the installation of new hardware and equipment and the five (5) year maintenance agreement between Dane County and Comtech-Solacom at a total amount not to exceed \$120,592.50.

NOW BE IT FURTHER RESOLVED, that the Dane County Executive and the Dane County Clerk are authorized to execute the necessary documents for the contract addendum.
