Rachel,

Thank you for the email and phone call yesterday, unfortunately I worked until 8pm and was unable to respond.

The town board meeting was extremely tough and was not the outcome we were hoping for. With this being said, at this time we would like to withdrawal our petition and we would like to resubmit a new application with some revisions. When would you need our new materials by in order to get on the soonest agenda?

Let me know if there are other things we need to address in order to resubmit.

Thank you,
Lena La Fleur
