### Memorandum of Understanding

THIS Memorandum of Understanding ("MOU") is between Dane County, Wisconsin (210 Martin Luther King Blvd, Madison 53703); and the University of Wisconsin Hospitals and Clinics Authority d/b/a University of Wisconsin Hospital and Clinics (600 Highland Avenue, Madison 53792), UW Health—American Family Children’s Hospital (1675 Highland Ave., Madison 53792), and UW Health at The American Center (4602 Eastpark Blvd., Madison 53718); Meriter Hospital, Inc. (202 S. Park Street, Madison 53715); SSM Health Care of Wisconsin, Inc., d/b/a St. Mary’s Hospital (700 S. Park Street, Madison 53715) and St. Mary’s Sun Prairie Emergency Center (2840 O’Keefe Ave., Sun Prairie 53590); Sauk-Prairie Memorial Hospital, Inc., d/b/a Sauk Prairie Healthcare (260 26th Street, Prairie du Sac 53578); Stoughton Hospital Association, d/b/a Stoughton Hospital (900 Ridge Street, Stoughton 53589); and William S. Middleton Veterans Memorial Hospital (2500 Overlook Terrace, Madison 53705).

WITNESSETH:

WHEREAS, in the event of a Critical Incident such as a mass casualty, large numbers of casualties could rapidly overwhelm existing medical resources. It is crucial from a disaster response and preparedness perspective that a method be developed to provide early coordination of patient transportation to emergency medical facilities. Such medical care may be effectively coordinated through the use of the Area Medical Coordination Center. This Area Medical Coordination Center role will be assumed by the Level 1 Trauma Center – University of Wisconsin Hospitals and Clinics Authority. This MOU establishes the terms of that plan; and

WHEREAS, the purpose of this MOU is to set forth the expectations and mechanisms for establishing the Area Medical Coordination Center.

NOW, THEREFORE, in consideration of the above premises and the mutual covenants of the parties hereinafter set forth, the receipt and sufficiency of which is acknowledged by each party for itself the undersigned do agree as follows:

- 1. For the purpose of this MOU, the following definitions will be used:

**Area Medical Coordination Center:** A hospital facility with staff trained and equipped to manage casualties from a critical incident and able to assess all capabilities of Participating Hospitals. For the purpose of this MOU, University of Wisconsin Hospitals and Clinics is the Area Medical Coordination Center.

**Critical Incident:** An incident resulting from human or natural causes resulting in illness or injuries that exceed or overwhelm the emergency medical service (EMS) and hospital capabilities of a locality or jurisdiction. Incident is likely to impose a sustained demand for health and medical services rather than the short, intense peak demand for these services typical of day to day incidents.

**Participating Hospital:** A hospital that is a party to this MOU but is not the Area Medical Coordination Center.

**Transportation Group Supervisor:** In charge of all transporting ambulances and directs the loading and transportation of patients. Her/his function is to maintain communications with the Area Medical Coordination Center, to ensure proper patient transportation and destination, and to coordinate patient information from the treatment unit and triage tag information to the Area Medical Coordination Center. The transportation group supervisor may assign an assistant to establish and maintain communications with the hospital.

**Red/Yellow/Green:** refers to the triage color assigned by EMS personnel in the field during a critical incident to determine medical priority needs and to ensure transport to a hospital with available capacity to accommodate the patient.

- Red – critical – may not survive without immediate medical care
- Yellow – serious – may not survive without immediate medical care but care does not need to be immediate
- Green - minor - medical care needed but will survive even with delayed care

2. The Area Medical Coordination Center will provide a single point of contact for EMS when any one of the following conditions exists:
  - a) Multiple patients are involved in a single or multiple critical Incidents that overwhelm the capabilities of the responding unit; or; any event, such as a natural disaster or terrorist attack, in which large numbers of casualties are sustained and which overwhelms or has the potential to overwhelm existing emergency medical resources.
  - b) The Critical Incident is found to have more than five patients requiring transportation; or
  - c) The Critical Incident involves any act of terrorism or natural disaster expected to produce large numbers of casualties.
3. The Area Medical Coordination Center will normally be activated in the situations identified in Section 2 by the Transportation Group Supervisor or through the Dane County Public Safety Communications Center. However, the Area Medical Coordination Center may also be activated by a Participating Hospital or the Area Medical Coordination Center itself due to a hospital's capabilities being overwhelmed.
4. Area Medical Coordination Center will:

- a) Notify all Participating Hospitals of the Critical Incident thru WI Trac (Internet based hospital software), radio and/or phone.
  - b) Upon activation of the Area Medical Coordination Center, accurately and promptly report its bed capabilities via WI Trac (or, if necessary, via interhospital disaster radios in the event WI Trac is inaccessible) to inform the Participating Hospitals how many red, yellow and green patients can be accommodated.
  - c) Update its bed capabilities at least every thirty (30) minutes during a Critical Incident.
  - d) Request that all Participating Hospitals update their bed capabilities to determine how many red, yellow and green patients can be accommodated.
  - e) Track the total number of patients and colors being transported to each facility through WI Trac or, if WI Trac is inaccessible, through another reasonable method. This will also serve as a cross-check for the Transportation Group Supervisor.
  - f) Supply an appropriately trained staff person to make the notifications and maintain radio communications with scene.
  - g) Participate in post-incident critiques and debriefing.
  - h) Maintain the interhospital disaster radios (VHF and 800 trunking) in working order and within the emergency department to allow communications.
  - i) Supply phone numbers to Dane County and the Participating Hospitals for direct connection to Dane County, the emergency departments and individual contact persons.
  - j) Maintain a phone list for each Participating Hospital emergency department, including individual contact persons at each facility.
  - k) Maintain access to WI Trac.
5. Participating Hospitals will:
- a) Upon activation of the Area Medical Coordination Center, accurately and promptly report their bed capabilities via WI Trac (or via interhospital disaster radios in the event WI Trac is inaccessible) to inform the Area Medical Coordination Center and other Participating Hospitals how many red, yellow and green patients can be accommodated.
  - b) Update their bed capabilities at least every thirty (30) minutes during a Critical Incident.

- c) Maintain the interhospital disaster radios (VHF and 800 trunking) in working order and within the emergency department to allow communications.
  - d) Supply phone numbers to Dane County, the Area Medical Coordination Center, and other Participating Hospitals for direct connection to Dane County, the emergency departments and individual contact persons.
  - d) Participate in post-incident critiques and debriefing.
  - e) Maintain access to WI Trac.
  - f) In the event Area Medical Coordination Center is compromised or otherwise unable to perform its functions under this MOU, confer with the other Participating Hospitals and be willing to serve as the Area Medical Coordination Center.
6. Dane County, through the Department of Emergency Management, will:
- a) Pursue purchasing of equipment through federal, state and local grant programs.
  - b) Develop and deliver training modules and resource pooling necessary to promote preparedness, enhance collaboration and response.
  - c) Include hospitals in Critical Incident response preparedness drills and exercises.
  - e) Establish a framework for post-incident critiques and debriefing.
  - f) Maintain the interhospital disaster radios (VHF and 800 trunking) in working order to allow communications.
  - g) Maintain phone numbers for direct connection to emergency departments and individual contact persons.
  - h) Participate in post-incident critiques and debriefing.
  - i) Maintain access to WI Trac.
  - j) Assist in grant writing to support ongoing training needs.
  - k) Review current national best practices and maintain up-to-date documentation.
7. This MOU may be amended at any time by written agreement signed by all parties.
8. This MOU shall continue for a period of three (3) years commencing on the date on which all parties have fully executed this MOU. Dane County shall have the right to terminate this MOU by giving written notice to the other parties of such

- termination at least sixty (60) days prior to the desired termination date. The Area Medical Coordination Center or any Participating Hospital may terminate its participation in this MOU by providing written notice to the other parties at least sixty (60) days prior to the desired termination date, in which case the terms of this MOU shall remain in full force and effect with regard to the non-terminating parties. In the event Area Medical Coordination Center terminates its participation in this MOU, the other parties agree to confer regarding designation of a new Area Medical Coordination Center.
9. The parties to this MOU agree that each party hereto is and shall be solely responsible for any claim or damage to the extent resulting from its own negligence, other tortious conduct or breach of this MOU. This MOU shall not be construed to require any party hereto to indemnify another party hereto from the party's negligence, other tortious conduct or breach of this MOU.
  10. Each party agrees to secure at its own expense all resources and personnel necessary to carry out its obligations under this MOU. Such personnel shall not be deemed to be employees of the other party nor shall they be deemed to have any direct contractual relationship with the other party.
  11. Notices required by this MOU shall be deemed delivered as of the date of postmark if deposited in a United States mailbox, first class postage attached, addressed to a party's address as set forth above. It shall be the duty of a party changing its address to notify the other party of such change in writing within a reasonable time.
  12. The parties agree to comply with applicable federal, state, and local laws governing the functions described herein. The Area Medical Coordination Center and Participating Hospitals further acknowledge that this MOU is not intended to supersede or contravene their policies and practices for ensuring compliance with the Emergency Medical Treatment and Active Labor Act and Wis. Stat. § 256.30(1)–(4). The Area Medical Coordination Center and Participating Hospitals further agree that this MOU is intended in part to carry out their obligations under Wis. Stat. § 256.30(5).
  13. Each party warrants that the persons executing this MOU on its behalf are authorized to do so.
  14. It is expressly understood and agreed to by the parties hereto that in the event of any disagreement or controversy between the parties, Wisconsin law shall be controlling and venue shall be in the Dane County Circuit Court.
  15. This MOU is intended to be an agreement solely between the parties hereto and for their benefit only. No part of this MOU shall be construed to add to, supplement, amend, abridge or repeal existing duties, rights, benefits or privileges of any third party or parties, including but not limited to employees of either of the parties.
  16. The entire agreement of the parties is contained herein, and this MOU supersedes any and all oral agreements and negotiations between the parties relating to the subject matter hereof.
