Narrative Page:	p. 446		
Department:	Alliant Energy Center		
Program:	Exhibition Hall		
Motion: (revenue/expenditure/text effect)	Increase expenditures and borrowing proceeds by \$200,000 in the 2019 capital budget for the Alliant Energy Center for a pre-design study for the Exhibition Hall. The study will include the building program, schematic design, and refined cost estimate.		
Program Effect:	This expenditure allows Dane County to further develop future design and uses for one of the greatest assets at the Alliant Energy Center.		
FTE Effect:	-		
Line Item Detail (not required for introduction, attach additional listing if necessary)			
Org	Object	DESCRIPTION:	Amount
CPAEC	NEW	AEC EXPO HALL PRE-DESIGN STUDY	\$200,000
CPAEC	84974	BORROWING PROCEEDS	(\$200,000)
Intent/Justification			
By the end of 2018, Dane County will have completed a master plan for the 164 acre Alliant Energy Center campus. A recommendation to enhance the marketability of the Expo Hall with physical expansion and improvements is one key to continued success in the future. This amendment provides funding for a pre-design study, including delineation of the building program, schematic design, and a refined cost estimate for construction.

Amendment # <u> PWT-C-02 </u>			
Sponsor/Committee:	Supervisor Corrigan		
Oversight Committee Action:	Public Works and Transportation, passed 5-0, YGP 2-0		
Personnel & Finance Action:			
Narrative Page:	p. 446		
Department:	Alliant Energy Center		
Program:	Administration		
Motion: (revenue/expenditure/text effect)	Expenditures and borrowing proceeds be increased by \$100,000 in the 2019 capital budget for the Alliant Energy Center - Administration Division for a purchase of services allocation for continued redevelopment planning, focused on master plan implementation, for the Alliant Energy Center campus.		
Program Effect:	This expenditure allows Dane County to take the next steps in the process to redevelop the AEC, with support for project management, governance and finance strategy execution, development of a private development approach and RFP, consultant selection process for Expo pre-design study, project communications, public engagement, coordination with surrounding property owners, and coordination with the city annexation area planning process.

Org	Object	DESCRIPTION:	Amount
CAPAEC	NEW	AEC PLAN IMPLEMENTATION	\$100,000
CAPAEC	84974	BORROWING PROCEEDS	\$100,000
Intent/Justification			
<p>By the end of 2018, Dane County will have completed a master plan for the 164 acre Alliant Energy Center campus. While this will mark the end of the multi-year planning effort, it also is the beginning of the work needed to put the plan into practice. The ambitious plan cannot be completed all at once, by Dane County alone, or by government alone. This is a complex process with many stakeholders and factors to be considered.</p> <p>This amendment provides funding for a consultant to support the next steps in the redevelopment process including support for project management, governance and finance strategy execution, development of a private development approach and RFP, consultant selection process for Expo pre-design study, project communications, public engagement, coordination with surrounding property owners, and coordination with the city annexation area planning process.</p>

Department:	Dane County Henry Vilas Zoo		
Program:	Zoo Capital Projects		
Motion: (revenue/expenditure/text effect)	Increase expenditures and borrowing proceeds by \$130,000 to properly replace the roof and supporting structure at the Zoo's Discovery Center (herpetarium).		
Program Effect:			
FTE Effect:	-		
Line Item Detail (not required for introduction, attach additional listing if necessary)			
Org	Object	DESCRIPTION:	Amount
CPZOO	59043	Zoo Roof Replacement	\$130,000
CPZOO	84974	Borrowing Proceeds	\$130,000
Intent/Justification			
A recent inspection of the Discovery Center roof shows much more damage and therefore necessary repair/replacement of supporting structures than originally planned for in the initial capital request for this roof replacement project.
