**Provide a detailed description of the goods/services intended to be purchased:**

ANGI ENERGY SYSTEMS (ANGI) will provide quarterly inspections of RNG compression and offload system to identify possible preventative maintenance suggestions to ensure longevity of system. Vendor will also supply demand services as needed to respond to operational issues and emergencies over the course of the maintenance term.

ANGI will also supply critical spare parts needed to stock inventory, parts needed for service, and consumables (oil) for RNG compression and offload system. Actual orders for parts, service totals, and consumables will vary based on need.

Attached is a draft service contract and quote for service scheduled in 2022, in addition to a line item for on-demand service as needed. Service contract, as necessary, will be routed internally as required for review and approval. Below is an extrapolation of needs over the four (4) contract period.

# Bid Waiver Form

Revised 04/2021

## Procurement Exception List

- Emergency Procurement
- Unique and specific technical qualifications are required
- A special adaptation for a special purpose is required
- A unique or opportune buying condition exists
- Only one vendor possesses the unique and singularly available ability to meet the Department's requirements

Provide a detailed explanation as to why the competitive bidding (RFB/RFP) process cannot be used. Also provide a detailed justification in relation to the Procurement Exception(s) chosen:

ANGI, locally based in Janesville WI is the supplier for the RNG compression and offload systems at the RNG Plant and is the sole vendor for the parts and service for their equipment which is needed to maintain warranty. They also provide the necessary technical support and as a local vendor, can provide quick response to maintenance situations as they arise.

## Bid Waiver Approval (For Purchasing Use Only)

Under \$40,000 (Controller)

\$40,000+ (Personnel & Finance Committee)
