

DANE COUNTY TREE PLANTING PROGRAM

- Program is coordinated with DNR Forester.
- Landowner orders trees either from DNR or private nursery
- Average tree population = 700/acre.
- DNR Forester works with landowners to develop forestry plan and to schedule the tree planter.
- Land Conservation Department has three planters available to rent at a cost of \$25/1,000 trees planted, minimum charge of \$50.
- Land Conservation staff is responsible for planter maintenance and delivery.
- Landowner sends payment for planter rental to Land Conservation office.

<i>YEAR</i>	<i># LAND-OWNERS</i>	<i># OF TREES</i>	<i>REVENUE</i>	<i>EXPENDITURES</i>
1993	21	78,300	1,110.00	1,800.00
1994	19	92,300	1,281.00	341.00
