These changes will bring the *Farmland Preservation Plan* into consistency with changes occurring over the course of 2024, including:

- amendments to town, city, village and extraterritorial comprehensive plans and the *Dane County Comprehensive Plan*, and;
- annexations of land to municipalities that do not participate in the state farmland preservation program.

Aaron Krebs, in our Records and Support Division, will be sending you GIS and PDF files of the proposed changes under separate cover.

The [Dane County Farmland Preservation Plan](#) is adopted by the Dane County Board of Supervisors as a component of the [Dane County Comprehensive Plan](#) under s.66.1001, Wis. Stats and [Chapter 82, Dane County Code](#).

Ordinance Amendment [2024 OA-15](#) was introduced to the Dane County Board of Supervisors on August 15, 2024, and would adopt the changes described above. A public hearing before the Zoning and Land Regulations Committee has been scheduled for October 22, 2024. Notification of this amendment has been published, posted and mailed individually in accordance with the requirements of ss. 91.10(3) and 66.1001(4), Wisconsin Statutes. Dane County is therefore requesting that the Department of Agriculture, Trade and Consumer Protection grant a certification contingent on final county board and county executive action.
