PATIENT ADVOCATES

*Offering Guidance &
Support for Your
Healthcare Needs*

What Do We Do?

Patient Advocates support older adults by attending medical appointments, promoting effective communication with medical staff, and empowering older adults to understand and follow through on care plans or advice given by their medical providers.

Who Is Eligible?

Adults aged 60 and older who are low income, live independently, lack family support and struggle with medical and case management needs.

What Is The Cost?

This program is currently being funded by the Paul Kusuda Special Projects grant, awarded through the Area Agency on Aging. Because of this support we are able to offer this program at no charge.

Who Can Make a Referral?

Yourself, family, friends, healthcare providers, social workers, parish nurses, or anyone who feels this program can benefit someone they know.
