

Land Division Waiver/Variance

Town of Deerfield, Section 12

Proposed Certified Survey Map is associated with rezone petition #11392. Rezone was approved by ZLR on 6/25/2019.

Applicant is seeking a waiver from Ch. 75.19(6)(b) to allow proposed lots 2 through 4 to have no frontage along CTH BB.

No additional lots are being created and this land division is more of a lot line adjustment. Lot 1 does have more than 66 feet of public road frontage and an existing driveway easement has been in place for several years serving the remaining lots.
