**SUBCHAPTER I
NON-DISCRIMINATION AND AFFIRMATIVE
ACTION IN COUNTY EMPLOYMENT**

19.02 POLICY AND PURPOSE. (1) The purpose of this ordinance is to codify the affirmative action policies and procedures of Dane County and to give such policies and procedures the full force of the county's lawmaking powers.

(2) The official policy of Dane County is to provide equal employment opportunities for persons from all segments of the Dane County community without regard to age, race, ethnicity, religion, color, gender, disability, marital status, sexual orientation, national origin, genetic information, cultural differences, ancestry, physical appearance, arrest record or conviction record, military participation or membership in the national guard, state defense force or any other reserve component of the military forces of the United States, or political beliefs.

(3) To assist in promoting equal employment opportunities, it is the policy of the County of Dane to take affirmative action with respect to the hiring, retention and promotion of persons who have historically been discriminated against because of race, ethnicity, disability and gender. Affirmative action shall be undertaken to the extent necessary to prevent and eliminate discrimination and to balance the county's work force.

(a) To terminate the employment of any employee physically or otherwise unable to perform his or her duties.

(b) To implement the provisions of any retirement plan or system of any employer if the retirement plan or system is not a subterfuge to evade the purposes of subchapter II of ch. 111, Wis. Stats. No plan or system may excuse the failure to hire, or require or permit the involuntary retirement of, any individual under sub. (1) because of that individual's age.

(c) To apply varying insurance coverage according to an employee's age.

(d) To exercise an age distinction with respect to hiring an individual to a position in which the knowledge and experience to be gained is required for future advancement to a managerial or executive position.

(b) Notwithstanding s. 19.02, it is not employment discrimination because of arrest record to refuse to hire or license, or to suspend from employment or licensing, any individual who is subject to a pending criminal charge if the circumstances of the charge substantially relate to the circumstances of the particular job or licensed activity.

(c) Notwithstanding s. 19.02, it is not employment discrimination because of conviction record to refuse to employ or license, or to bar or terminate from employment or licensing, any individual who:

2. is not bondable under a standard fidelity bond or an equivalent bond where such bondability is required by state or federal law, administrative regulation or established business practice of the employer.

(cm) Notwithstanding s. 19.02, it is not employment discrimination because of conviction record to refuse to employ as an installer of burglar alarms a person who has been convicted of a felony and has not been pardoned.

(2)(a) Notwithstanding s. 19.02, it is not employment discrimination because of disability to refuse to hire, employ, admit or license any individual, to bar or terminate from employment, membership or licensure any individual, or to discriminate against any individual in promotion, compensation or in terms, conditions or privileges of employment if the disability is reasonably related to the individual's ability to adequately undertake the job-related responsibilities of that individual's employment, membership or licensure.

(b) In evaluating whether a disabled individual can adequately undertake the job-related responsibilities of a particular job, membership or licensed activity, the present and future safety of the individual, of the individual's coworkers and, if applicable, of the general public may be considered. However, this evaluation shall be made on an individual case-by-case basis and may not be made by a general rule which prohibits the employment or licensure of disabled individuals in general or a particular class of disabled individuals.

(c) If the employment, membership or licensure involves a special duty of care for the safety of the general public including, but not limited to, employment with a common carrier, this special duty of care may be considered in evaluating whether the employee or applicant can adequately undertake the job-related responsibilities of a particular job, membership or licensed activity. However, this evaluation shall be made on an individual case-by-case basis and may not be made by a general rule which prohibits the employment or licensure of disabled individuals in general or a particular class of disabled individuals.

(3)(a) Notwithstanding s. 19.02, it is not employment discrimination because of use of a lawful product off the employer's premises during nonworking hours for a nonprofit corporation that, as one of its primary purposes or objectives, discourages the general public from using a lawful product to refuse to hire or employ an individual, to suspend or terminate the employment of an individual, or to discriminate against an individual in promotion, in compensation or in terms, conditions or

privileges of employment, because that individual uses off the employer's premises during nonworking hours a lawful product that the nonprofit corporation discourages the general public from using.

(b) Notwithstanding s. 19.02, it is not employment discrimination because of nonuse of a lawful product off the employer's premises during nonworking hours for a nonprofit corporation that, as one of its primary purposes or objectives, encourages the general public to use a lawful product to refuse to hire or employ an individual, to suspend or terminate the employment of an individual, or to discriminate against an individual in promotion, in compensation or in terms, conditions or privileges of employment, because that individual does not use off the employer's premises during nonworking hours a lawful product that the nonprofit corporation encourages the general public to use.

(4) Notwithstanding s. 19.02, it is not employment discrimination because of use or nonuse of a lawful product off the employer's premises during nonworking hours for an employer, labor organization, employment agency, licensing agency or other person to refuse to hire, employ, admit or license an individual, to bar, suspend or terminate an individual from employment, membership or licensure, or to discriminate against an individual in promotion, in compensation or in terms, conditions or privileges of employment or labor organization membership if the individual's use or nonuse of a lawful product off the employer's premises during nonworking hours does any of the following:

(a) Impairs the individual's ability to undertake adequately the job-related responsibilities of that individual's employment, membership or licensure.

(b) Creates a conflict of interest, or the appearance of a conflict of interest, with the job-related responsibilities of that individual's employment, membership or licensure.

19.025 SEX, SEXUAL ORIENTATION; EXCEPTIONS AND SPECIAL CASES.

(1) Employment discrimination because of sex includes, but is not limited to, any of the following actions by any employer, labor organization, employment agency, licensing agency or other person:

(a) Discriminating against any individual in promotion, compensation paid for equal or substantially similar work or in terms, conditions or privileges of employment or licensing on the basis of sex where sex is not a bona fide occupational qualification.

(b) Engaging in sexual harassment; or implicitly or explicitly making or permitting acquiescence in or submission to sexual harassment a term or condition of employment; or making or permitting acquiescence in, submission to or rejection of sexual harassment the basis or any part of the basis for any employment decision affecting an employee, other than an employment decision that is disciplinary action against an employee for engaging in sexual harassment in violation of this paragraph; or permitting sexual harassment to have the purpose or effect of substantially interfering with an employee's work performance or of creating an intimidating, hostile or offensive work environment. Under this paragraph, substantial interference with an employee's work performance or creation of an intimidating, hostile or offensive work environment is established when the conduct is such that a reasonable person under the same circumstances as the employee would consider the conduct sufficiently severe or pervasive to interfere substantially with the person's work performance or to create an intimidating, hostile or offensive work environment.

(br) Engaging in harassment that consists of unwelcome verbal or physical conduct directed at another individual because of that individual's gender, other than the conduct described in par. (b), and that has the purpose or effect of creating an intimidating, hostile or offensive work environment or has the purpose or effect of substantially interfering with that individual's work performance. Under this paragraph, substantial interference with an employee's work performance or creation of an intimidating, hostile or offensive work environment is established when the conduct is such that a reasonable person under the same circumstances as the employee would consider the conduct sufficiently severe or pervasive to interfere substantially with the person's work

performance or to create an intimidating, hostile or offensive work environment.

(c) Discriminating against any woman on the basis of pregnancy, childbirth, maternity leave or related medical conditions by engaging in any of the actions prohibited under s. 19.02 including, but not limited to, actions concerning fringe benefit programs covering illnesses and disability.

(d) 1. For any employer, labor organization, licensing agency or employment agency or other person to refuse to hire, employ, admit or license, or to bar or terminate from employment, membership or licensure any individual, or to discriminate against an individual in promotion, compensation or in terms, conditions or privileges of employment because of the individual's sexual orientation; or

2. For any employer, labor organization, licensing agency or employment agency or other person to discharge or otherwise discriminate against any person because he or she has opposed any discriminatory practices under this paragraph or because he or she has made a complaint, testified or assisted in any proceeding under this paragraph.

(2) For the purposes of this subchapter, sex is a bona fide occupational qualification if all of the members of one sex are physically incapable of performing the essential duties required by a job, or if the essence of the employer's business operation would be undermined if employees were not hired exclusively from one sex.

(3) For purposes of sexual harassment claims under sub. (1)(b), an employer, labor organization, employment agency or licensing agency is presumed liable for an act of sexual harassment by that employer, labor organization, employment agency or licensing agency or by any of its employees or members, if the act occurs while the complaining employee is at his or her place of employment or is performing duties relating to his or her employment, if the complaining employee informs the employer, labor organization, employment agency or licensing agency of the act, and if the employer, labor organization, employment agency or licensing agency fails to take appropriate action within a reasonable time.

SUBCHAPTER II NON-DISCRIMINATION AND AFFIRMATIVE ACTION BY CONTRACTORS

19.50 AUTHORITY AND PURPOSE. (1)

Sections 19.50 through 19.71, inclusive, of this ordinance are enacted under the authority of chapter 59 of the Wisconsin Statutes.

(2) The county's policy is to ensure that the county, its contracting agencies and their contractors and their unions do not directly or indirectly discriminate on the basis of age, race, ethnicity, religion, color, gender, disability, marital status, sexual orientation, national origin, cultural differences, ancestry, physical appearance, arrest record or conviction record, military participation or membership in the national guard, state defense force or any other reserve component of the military forces of the United States, or political beliefs. The county's policy is to further ensure that such contracting agencies take affirmative action to eliminate such discrimination based on race, ethnicity, gender and disability, both in employment and in receipt of services. An additional purpose of this policy is to guide the management and business of the county in such a way as to ensure that the county's interest in receiving funds from the state and federal sources is protected. Another purpose is to promote the economic development of emerging small business enterprises and to encourage commitment and utilization of county and community resources to achieve that result. All county department and institution heads are responsible for obtaining contracts in compliance with this ordinance.

(3) This subchapter shall not be construed to require enhanced employee recruitment efforts as part of a contractor's affirmative action obligation to be undertaken with respect to other than race, ethnicity, gender and disability.

(4) No provision of this subchapter shall be deemed to repeal, displace, amend or abridge the qualifications and exceptions set forth in sections 19.021 through 19.026 of subchapter I, and the same shall apply to the provisions of this subchapter as though fully set forth herein.

19.508 TARGETED BUSINESS POLICY.

(1) Dane County's official policy is to utilize to the fullest extent targeted businesses when contracting for any construction, purchases, furnishing or disposal of goods, services or real property in order to ensure an equitable share of Dane County contracts. Dane County recognizes that it must ensure that the principles of equal opportunities in its contracting process are pursued in a concerted manner. Dane County reaffirms its commitment to the targeted business programs and policies which ensure utilization by the county and those who contract with the county. The program shall contain a

process for certification of targeted businesses and establish participation goals. The ways in which these goals are implemented are described more specifically in the targeted business plan.

(2) It shall be the overall goal of Dane County to have at least ten percent (10%) participation by targeted businesses.

(3) These goals will be actively and thoroughly pursued to assure the success of the targeted business program and this pursuit will be consistent with sound purchasing principles.

19.51 DEFINITIONS. As used in sections 19.50 through 19.71, the following words have the meanings indicated herein.

(1) *Affirmative action plan:* A written document which details the programmatic efforts to implement and ensure equal employment opportunity, equitable service delivery and achieve a balanced work force through good faith efforts in all areas of employment, contracting and service delivery. To document employment opportunities a contractor shall develop and implement an affirmative action plan that meets the requirements of 41 CFR Part 60 or those of the county model, or both.

(1a) *Affirmative action* means specific actions in employment which are designed and taken for the purposes of ensuring equal opportunities; identifying and eliminating practices that result in discrimination which produces a substantial disparity between the proportion of members of racial and ethnic, gender or disabled groups in job groups within a contractor's workforce, and the proportion of members of racial and ethnic, gender or disabled groups in the relevant labor pool. Affirmative and direct action is required to make equal employment and promotional opportunities a reality and to correct the effects of past patterns of inequality. The term includes:

(a) enhanced recruitment efforts;

(b) education of all personnel as to prohibited bases of discrimination; and

(c) other action designed to promote employment opportunities for, and increase the retention of, persons historically under-represented in a contractor's workforce.

(2) *Balanced work force:* A representation of minorities, women and persons with disabilities in each job category (as defined by the federal equal employment opportunity commission) of the contractor's work force that equals the percentage of the availability of such persons in each job category in the appropriate standard

metropolitan statistical area (SMSA) from which the contractor's workforce is drawn.

(2m) *Caste* has the meaning set forth in s. 18.04(8m).

(3) *Compliance:* Conformity with this chapter.

(4) *Compliance review:* The investigatory process (including statistical analyses and on-site observations) by which the contract compliance officer evaluates the effectiveness and implementation of a contractor's affirmative action plan.

(5) *Contract compliance hearing board:* The body that will hold a hearing when debarment proceedings are brought before them when conciliation attempts have failed. The contract compliance hearing board, the body responsible for debarment proceedings, shall consist of the chairperson of the equal opportunity commission together with one citizen member and one supervisor member of the commission appointed by the commission chairperson.

(6) *Conciliation agreement:* A formal statement, signed by the contractor, the contract compliance officer and the equal opportunity commission chairperson which defines specific remedies and realistic timetables for correcting deficiencies of a contractor's affirmative action plan.

(7) *Contract:* An agreement, including those not reduced to writing, entered into by a contracting agency for the construction, purchase, furnishing or disposal of goods, services or real property or purchase of services contracts, purchase orders, requests or other like contracting instruments including any combination of the foregoing.

(8) *Contracting agency:* Any department, commission, committee, board or other agency of Dane County with authority to contract.

(9) *Contractor:* Any party entering into an agreement or contract with a contracting agency for the construction, purchase, furnishing or disposal of goods, services or real property. Subcontractors and persons hired by the contractor to perform any or all of the contract work are included within the term *contractor*.

(10) *Contract compliance officer:* The person designated to monitor, investigate and make recommendations of contractors' compliance with the provisions of this subchapter.

(10m) *Cultural differences* means those beliefs, interpersonal styles, attitudes and behaviors which are unique to or which distinguish a particular group of persons, whether centered around religion, race or ethnicity. Cultural differences also includes traits historically

associated with race, including hair texture and protective hairstyles.

(11) Debarment: A formal denial of a contractor's right to enter into future contracts with a contracting agency until compliance has been achieved. A debarment is effective for one calendar year or until the contractor comes into compliance, whichever occurs first.

(13) Desk audit: A thorough analysis prior to on-site review of a contractor's affirmative action plan, program and supportive data before an on-site inspection to determine the extent of the contractor's compliance both in terms of program strengths and deficiencies.

(14) Disadvantaged business enterprise (DBE): A small business concern which: (a) is at least 51 percent owned by one or more socially and economically disadvantaged individual(s), or, in the case of any publicly owned business, at least 51 percent of the stock of which is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operation are controlled by one or more socially and economically disadvantaged individuals who own it. *Socially and economically disadvantaged individual* means a person whose ability to compete in business has been impaired due to diminished past and present economic and business opportunities originating from his or her race, color, national origin, gender, disability, long-term residence in an environment isolated from the mainstream of American society, or other similar cause beyond the individual's control.

(15) Emerging small business enterprise (ESB): An independent business concern that has been in business for at least one year; is located in the State of Wisconsin; is comprised of less than 25 employees; does not have gross sales in excess of three million over the past three years; and does not have a history of failing to complete projects.

(20m) Physical appearance means the outward appearance of any person irrespective of gender, with regard to weight, height, facial features or other aspects of appearance which are beyond the person's control and which are not based on recognized religious practices. The prohibition on discrimination on the basis of physical appearance does not limit an appointing authority's ability to impose requirements of cleanliness, uniforms or prescribed attire, if and when such requirements are uniformly applied for a reasonable business purpose.

(20n) Political beliefs means an individual's opinion, manifested in speech or association, concerning the social, economic and governmental structure of society and its institutions. This ordinance shall cover all
