

2017 RES-192

RESOLUTION AWARDING THE SALE OF
GENERAL OBLIGATION CORPORATE PURPOSE BONDS,
SERIES 2017B

WHEREAS, on February 4, 2016, the County Board of Supervisors of Dane County, Wisconsin (the "County") adopted a resolution (the "2016 Initial Resolution") by a 3/4 vote authorizing the issuance of general obligation bonds and promissory notes in an amount not to exceed \$54,650,000 for the public purpose of paying the cost of certain capital improvements, including \$1,805,000 for acquiring land for lake preservation and conservation which authority the County has not yet used (the "2016 Project");

WHEREAS, on June 15, 2017, the County Board of Supervisors of Dane County, Wisconsin (the "County") adopted a resolution (the "2017 Initial Resolution" and collectively with the 2016 Initial Resolution, the "Initial Resolutions") by a 3/4 vote authorizing the issuance of general obligation bonds and promissory notes in an amount not to exceed \$74,720,000 for the public purpose of paying the cost of certain capital improvement projects including \$1,955,000 for acquiring land for lake preservation and conservation and park projects (collectively, the "2017 Projects" and with the 2016 Project, the "Project");

WHEREAS, the County Board of Supervisors hereby further finds and determines that it is necessary, desirable and in the best interest of the County to raise funds in the amount of \$5,450,000 to pay the cost of refinancing the Taxable General Obligation Corporate Purpose Bonds, Series 2010G (Build America Bonds - Direct Payment), dated November 23, 2010 (the "Refunded Obligations") (hereinafter the refinancing of the Refunded Obligations shall be referred to as the "Refunding");

WHEREAS, the cash subsidy payments received by the County from the United States Treasury (the "Treasury") with respect to interest payments on the Refunded Obligations have been reduced, pursuant to the requirements of the Balanced Budget and Emergency Deficit Control Act of 1985, as amended, from the amount the County requested on timely submitted Forms 8038-CP;

WHEREAS, the Refunded Obligations are subject to redemption prior to maturity, in whole or in part, at the option of the County, on any day, at a redemption price equal to 100% of the principal amount redeemed plus accrued interest to the date of redemption, in the event that either (a) Section 54AA or 6431 of the Internal Revenue Code of 1986, as amended (the "Code") is repealed, amended or modified in a manner which results in a reduction or elimination of the County's 35% cash subsidy payment from the Treasury or (b) the Treasury fails to make a cash subsidy payment to which the County is entitled and such failure is not caused by any action or inaction by the County;

WHEREAS, the County Board of Supervisors hereby finds and determines that the Treasury's reduction in the credit payment with respect to the Refunded Obligations was not due to any action or inaction by the County, and as a result, the extraordinary redemption provision

referred to above was triggered, and the Refunded Obligations are eligible to be redeemed on any day;

WHEREAS, the County Board of Supervisors deems it to be necessary, desirable and in the best interest of the County to refund the Refunded Obligations for the purpose of achieving debt service cost savings;

WHEREAS, the County Board of Supervisors hereby finds and determines that the Project is within the County's power to undertake and therefore serves a "public purpose" as that term is defined in Section 67.04(1)(b), Wisconsin Statutes;

WHEREAS, it is the finding of the County Board that it is necessary, desirable and in the best interest of the County to combine the general obligation bonds authorized by the 2016 Initial Resolution (\$1,805,000), the 2017 Initial Resolution (\$1,955,000) and this Resolution for the Refunding (\$5,450,000) into one issue of "General Obligation Corporate Purpose Bonds, Series 2017B" (the "Bonds") in the aggregate principal amount of \$9,210,000;

WHEREAS, none of the proceeds of the Bonds shall be used to fund the operating expenses of the general fund of the County or to fund the operating expenses of any special revenue fund of the County that is supported by the property taxes;

WHEREAS, in the Initial Resolutions, the County directed Ehlers & Associates, Inc. ("Ehlers") to take the steps necessary to sell the Bonds;

WHEREAS, Ehlers, in consultation with the officials of the County, prepared a Notice of Sale (a copy of which is attached hereto as Exhibit A and incorporated herein by this reference) setting forth the details of and the bid requirements for the Bonds and indicating that the Bonds would be offered for public sale on September 28, 2017;

WHEREAS, the County Clerk (in consultation with Ehlers) caused a form of notice of the sale to be published and/or announced and caused the Notice of Sale to be distributed to potential bidders offering the Bonds for public sale on September 28, 2017;

WHEREAS, the County has duly received bids for the Bonds as described on the Bid Tabulation attached hereto as Exhibit B and incorporated herein by this reference (the "Bid Tabulation"); and

WHEREAS, it has been determined that the bid proposal (the "Proposal") submitted by the financial institution listed first on the Bid Tabulation fully complies with the bid requirements set forth in the Notice of Sale and is deemed to be the most advantageous to the County. Ehlers has recommended that the County accept the Proposal. A copy of said Proposal submitted by such institution (the "Purchaser") is attached hereto as Exhibit C and incorporated herein by this reference.

NOW, THEREFORE, BE IT RESOLVED by the County Board of Supervisors of the County that the County borrow \$5,450,000 by issuing its general obligation bonds for the public purpose of paying the cost of the Refunding.

BE IT FURTHER RESOLVED by the County Board of Supervisors of the County that:

Section 1A. Ratification of the Notice of Sale and Offering Materials. The County Board of Supervisors of the County hereby ratifies and approves the details of the Bonds set forth in Exhibit A attached hereto as and for the details of the Bonds. The Notice of Sale of the County and any other offering materials prepared and circulated by Ehlers are hereby ratified and approved in all respects. All actions taken by officers of the County and Ehlers in connection with the preparation and distribution of the Notice of Sale, and any other offering materials are hereby ratified and approved in all respects.

Section 1B. Authorization and Award of the Bonds. For the purpose of paying the cost of the Project and the Refunding, there shall be borrowed pursuant to Section 67.04, Wisconsin Statutes, the principal sum of NINE MILLION TWO HUNDRED TEN THOUSAND DOLLARS (\$9,210,000) from the Purchaser in accordance with the terms and conditions of the Proposal. The Proposal of the Purchaser offering to purchase the Bonds for the sum set forth on the Proposal, plus accrued interest to the date of delivery, resulting in a true interest cost as set forth on the Proposal is hereby accepted. The Chairperson and County Clerk or other appropriate officers of the County are authorized and directed to execute an acceptance of the Proposal on behalf of the County. The good faith deposit of the Purchaser shall be retained by the County Treasurer and applied in accordance with the Notice of Sale, and any good faith deposits submitted by unsuccessful bidders shall be promptly returned. The Bonds shall bear interest at the rates set forth on the Proposal.

Section 2. Terms of the Bonds. The Bonds shall be designated "General Obligation Corporate Purpose Bonds, Series 2017B"; shall be issued in the aggregate principal amount of \$9,210,000; shall be dated September 28, 2017; shall be in the denomination of \$5,000 or any integral multiple thereof; shall be numbered R-1 and upward; and shall bear interest at the rates per annum and mature on June 1 of each year, in the years and principal amounts as set forth on the Pricing Summary attached hereto as Exhibit D-1 and incorporated herein by this reference. Interest shall be payable semi-annually on June 1 and December 1 of each year commencing on June 1, 2018. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board. The schedule of principal and interest payments due on the Bonds is set forth on the Debt Service Schedule attached hereto as Exhibit D-2 and incorporated herein by this reference (the "Schedule").

Section 2A. Designation of Maturities. For purposes of State law, the Bonds are designated as being issued to pay and discharge the debts incurred by the County through the issuance of the Refunded Obligations in the order in which those debts were incurred, so that the Bonds of the earliest maturities are considered to be issued to discharge the debts which were incurred first.

Section 3. Redemption Provisions. The Bonds maturing on June 1, 2028 and thereafter shall be subject to redemption prior to maturity, at the option of the County, on June 1, 2027 or on any date thereafter. Said Bonds shall be redeemable as a whole or in part, and if in part, from maturities selected by the County and within each maturity, by lot, at the principal amount thereof, plus accrued interest to the date of redemption. If the Proposal specifies that any of the

Bonds are subject to mandatory redemption, the terms of such mandatory redemption shall be set forth on an attachment hereto as Exhibit MRP and incorporated herein by this reference. Upon the optional redemption of any of the Bonds subject to mandatory redemption, the principal amount of such Bonds so redeemed shall be credited against the mandatory redemption payments established in Exhibit MRP for such Bonds in such manner as the County shall direct.

Section 4. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Bonds as the same becomes due, the full faith, credit and resources of the County are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the County a direct annual irrepealable tax in the years 2017 through 2036 for payments due in the years 2018 through 2037 in the amounts set forth on the Schedule.

(B) Tax Collection. So long as any part of the principal of or interest on the Bonds remains unpaid, the County shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Bonds, said tax shall be, from year to year, carried onto the tax roll of the County and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the County for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Bonds when due, the requisite amounts shall be paid from other funds of the County then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the County, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the County may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for \$9,210,000 General Obligation Corporate Purpose Bonds, Series 2017B, dated September 28, 2017" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Bonds is fully paid or otherwise extinguished. The County Treasurer shall deposit in the Debt Service Fund Account (i) all accrued interest received by the County at the time of delivery of and payment for

the Bonds; (ii) any premium not used for the Refunding which may be received by the County above the par value of the Bonds and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Bonds when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Bonds when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Bonds until all such principal and interest has been paid in full and the Bonds canceled; provided (i) the funds to provide for each payment of principal of and interest on the Bonds prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Bonds may be used to reduce the next succeeding tax levy, or may, at the option of the County, be invested by purchasing the Bonds as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Bonds have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the County, unless the County Board of Supervisors directs otherwise.

Section 7. Proceeds of the Bonds; Segregated Borrowed Money Fund. The proceeds of the Bonds (the "Bond Proceeds") (other than any premium not used for the Refunding and accrued interest which must be paid at the time of the delivery of the Bonds into the Debt Service Fund Account created above) shall be deposited into a special fund separate and distinct from all other funds of the County and disbursed solely for the purpose or purposes for which borrowed or for the payment of the principal of and the interest on the Bonds. In no event shall monies in the Borrowed Money Fund be used to fund operating expenses of the general fund of the County or of any special revenue fund of the County that is supported by property taxes. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose or purposes for which the Bonds have been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose(s) shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the County, charged with the responsibility for issuing the Bonds,

shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Bonds to the Purchaser which will permit the conclusion that the Bonds are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The County represents and covenants that the projects financed by the Bonds and by the Refunded Obligations and the ownership, management and use of the projects will not cause the Bonds and the Refunded Obligations to be "private activity bonds" within the meaning of Section 141 of the Code. The County further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. The County further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The County Clerk or other officer of the County charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the County certifying that the County can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The County also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Bonds provided that in meeting such requirements the County will do so only to the extent consistent with the proceedings authorizing the Bonds and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Execution of the Bonds; Closing; Professional Services. The Bonds shall be issued in printed form, executed on behalf of the County by the manual or facsimile signatures of the Chairperson and County Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the County of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the County has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The County hereby authorizes the officers and agents of the County to enter into, on its behalf, agreements and contracts in conjunction with the Bonds, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Bonds is hereby ratified and approved in all respects.

Section 11. Payment of the Bonds; Fiscal Agent. The principal of and interest on the Bonds shall be paid by the County Clerk or County Treasurer (the "Fiscal Agent").

Section 12. Persons Treated as Owners; Transfer of Bonds. The County shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Chairperson and County Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The County shall cooperate in any such transfer, and the Chairperson and County Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 13. Record Date. The 15th day of the calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the County at the close of business on the Record Date.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the County agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations, which the County Clerk or other authorized representative of the County is authorized and directed to execute and deliver to DTC on behalf of the County to the extent an effective Blanket Issuer Letter of Representations is not presently on file in the County Clerk's office.

Section 15. Payment of Issuance Expenses. The County authorizes the Purchaser to forward the amount of the proceeds of the Bonds allocable to the payment of issuance expenses to KleinBank, Chaska, Minnesota at closing for further distribution as directed by Ehlers.

Section 16. Official Statement. The County Board of Supervisors hereby approves the Preliminary Official Statement with respect to the Notes and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the County in connection with the preparation of such Preliminary Official Statement or Addendum are hereby ratified and approved. In connection with the Closing, the appropriate County official shall certify the Preliminary Official Statement

or Addendum. The County Clerk shall cause copies of the Preliminary Official Statement or Addendum to be distributed to the Purchaser.

Section 17. Undertaking to Provide Continuing Disclosure. The County hereby covenants and agrees, for the benefit of the owners of the Bonds, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Bonds or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the County to comply with the provisions of the Undertaking shall not be an event of default with respect to the Bonds).

To the extent required under the Rule, the Chairperson and County Clerk, or other officer of the County charged with the responsibility for issuing the Bonds, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the County's Undertaking.

Section 18. Redemption of the Refunded Obligations. The Refunded Obligations are hereby called for prior payment and redemption on October 17, 2017 at a price of par plus accrued interest to the date of redemption.

The County hereby directs the County Clerk to work with Ehlers to cause timely notice of redemption, in substantially the form attached hereto as Exhibit F and incorporated herein by this reference (the "Notice"), to be provided at the times, to the parties and in the manner set forth on the Notice. Any and all actions heretofore taken by the officers and agents of the County to effectuate the redemption of the Refunded Obligations are hereby ratified and approved.

Section 19. Record Book. The County Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Bonds in the Record Book.

Section 20. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Bonds, the officers of the County are authorized to take all actions necessary to obtain such municipal bond insurance. The Chairperson and County Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Chairperson and County Clerk including provisions regarding restrictions on investment of Bond proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Bonds by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Bond provided herein.

Section 21. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the County Board of Supervisors or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

FOR VALUE RECEIVED, Dane County, Wisconsin (the "County"), hereby acknowledges itself to owe and promises to pay to the Depository or its Nominee Name (the "Depository") identified above (or to registered assigns), on the maturity date identified above, the principal amount identified above, and to pay interest thereon at the rate of interest per annum identified above, all subject to the provisions set forth herein regarding redemption prior to maturity. Interest shall be payable semi-annually on June 1 and December 1 of each year commencing on June 1, 2018 until the aforesaid principal amount is paid in full. Both the principal of and interest on this Bond are payable to the registered owner in lawful money of the United States. Interest payable on any interest payment date shall be paid by wire transfer to the Depository in whose name this Bond is registered on the Bond Register maintained by the County Clerk or County Treasurer (the "Fiscal Agent") or any successor thereto at the close of business on the 15th day of the calendar month next preceding each interest payment date (the "Record Date"). This Bond is payable as to principal upon presentation and surrender hereof at the office of the Fiscal Agent.

For the prompt payment of this Bond together with interest hereon as aforesaid and for the levy of taxes sufficient for that purpose, the full faith, credit and resources of the County are hereby irrevocably pledged.

This Bond is one of an issue of Bonds aggregating the principal amount of \$9,210,000, all of which are of like tenor, except as to denomination, interest rate, maturity date and redemption provision, issued by the County pursuant to the provisions of Section 67.04, Wisconsin Statutes, for the following public purposes: \$_____ to pay the cost of acquiring land for lake preservation and conservation authorized by an initial resolution adopted on February 4, 2016; \$_____ to pay the cost of acquiring land for lake preservation and conservation and park projects authorized by an initial resolution adopted on June 15, 2017; and \$_____ to pay the cost of refunding certain obligations of the County as authorized by a

resolution adopted on September 28, 2017. Said resolutions are recorded in the official minutes of the County Board of Supervisors for said dates.

The Bonds maturing on June 1, 2028 and thereafter are subject to redemption prior to maturity, at the option of the County, on June 1, 2027 or on any date thereafter. Said Bonds are redeemable as a whole or in part, and if in part, from maturities selected by the County, and within each maturity by lot (as selected by the Depository), at the principal amount thereof, plus accrued interest to the date of redemption.

[The Bonds maturing in the years _____ are subject to mandatory redemption by lot as provided in the resolution awarding the sale of the Bonds, at the redemption price of par plus accrued interest to the date of redemption and without premium.]

In the event the Bonds are redeemed prior to maturity, as long as the Bonds are in book-entry-only form, official notice of the redemption will be given by mailing a notice by registered or certified mail, overnight express delivery, facsimile transmission, electronic transmission or in any other manner required by the Depository, to the Depository not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. If less than all of the Bonds of a maturity are to be called for redemption, the Bonds of such maturity to be redeemed will be selected by lot. Such notice will include but not be limited to the following: the designation, date and maturities of the Bonds called for redemption, CUSIP numbers, and the date of redemption. Any notice provided as described herein shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. The Bonds shall cease to bear interest on the specified redemption date provided that federal or other immediately available funds sufficient for such redemption are on deposit at the office of the Depository at that time. Upon such deposit of funds for redemption the Bonds shall no longer be deemed to be outstanding.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this Bond have been done, have existed and have been performed in due form and time; that the aggregate indebtedness of the County, including this Bond and others issued simultaneously herewith, does not exceed any limitation imposed by law or the Constitution of the State of Wisconsin; and that a direct annual irrevocable tax has been levied sufficient to pay this Bond, together with the interest thereon, when and as payable.

This Bond is transferable only upon the books of the County kept for that purpose at the office of the Fiscal Agent, only in the event that the Depository does not continue to act as depository for the Bonds, and the County appoints another depository, upon surrender of the Bonds to the Fiscal Agent, by the registered owner in person or his duly authorized attorney, together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Fiscal Agent duly executed by the registered owner or his duly authorized attorney. Thereupon a new fully registered Bond in the same aggregate principal amount shall be issued to the new depository in exchange therefor and upon the payment of a charge sufficient to reimburse the County for any tax, fee or other governmental charge required to be paid with respect to such registration. The Fiscal Agent shall not be obliged to make any transfer of the Bonds (i) after the

Record Date, (ii) during the fifteen (15) calendar days preceding the date of any publication of notice of any proposed redemption of the Bonds, or (iii) with respect to any particular Bond, after such Bond has been called for redemption. The Fiscal Agent and County may treat and consider the Depository in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever. The Bonds are issuable solely as negotiable, fully-registered Bonds without coupons in the denomination of \$5,000 or any integral multiple thereof.

No delay or omission on the part of the owner hereof to exercise any right hereunder shall impair such right or be considered as a waiver thereof or as a waiver of or acquiescence in any default hereunder.

IN WITNESS WHEREOF, Dane County, Wisconsin, by its governing body, has caused this Bond to be executed for it and in its name by the manual or facsimile signatures of its duly qualified Chairperson and County Clerk; and to be sealed with its official or corporate seal, if any, all as of the original date of issue specified above.
