SUBJECT: Request for approval to provide refreshments to Highway Personnel At
Department's Spring Training

On April 7, 2015, Dane County Highway Department personnel will attend an entire day of training at the Alliant Energy Center. Training provided includes topics that address safety related to highway maintenance, construction and other related issues.

In recognition of their dedication, we would like to provide coffee and donuts for our highway personnel.

The total cost to our department is \$250.

We respectfully request that an exception be made to Section 20.14 of the Expense Account Ordinance in order to permit us to provide this token of appreciation for our snow plow operators, mechanics, dispatchers and managers.

Thank you for your consideration.
