Five years ago, we moved out here and built our house at the end of the dead end road. It's the reason we moved out here. Now they want to bring more development out here which I feel is inappropriate and will diminish the rural atmosphere we currently enjoy. If I'd wanted to live in a subdivision, I would have stayed in town.

Agenda item 2020 RPT-505 is for the renewal of salvage recycling center licenses. As a straightforward application of the Dane County Zoning Ordinance it seems like the license for 1748 Spring Rose Road is not eligible for renewal. As a condition of renewal the ordinance requires "that the business is being conducted in accordance with the provisions of this ordinance." The staff report for this site describes an ordinance violation: "items are located outside the boundaries of permitted areas."
